

## USB CDC/ECM Class Driver for Windows

### Licensing Model and Price List

September 2011

#### Supported Operating Systems:

- Windows 7 (32-bit and 64-bit),
- Windows Vista (32-bit and 64-bit),
- Windows XP (32-bit and 64-bit),
- Windows 2000

#### Runtime License

The licensee will receive the software in binary executable format. The licensee may install and use the software on any numbers of computers at the site for which the license was given. The licensee is permitted to distribute the Software, in whole or in part, as long as the distributed files are for use with hardware products. The licensee may use the Software with any number of hardware products. There is no limit on the number of units which may be distributed. Please refer to the USB CDC/ECM Class Driver License Agreement for the complete terms of license.

#### Driver Source Code Add-on License

The licensee will receive the source code of the USB CDC/ECM class driver and is allowed to modify and compile this source code. The licensee may use the source code to develop derived software modules. The licensee may distribute such derived software modules in binary executable form only.

The source code license is only an add-on and requires a Runtime License. The USB CDC/ECM Class Driver Source Code Add-on License can be ordered within 12 months of purchase of a Runtime License. Please refer to the USB CDC/ECM Class Driver License Agreement for the complete terms of license.

#### Prices

All prices do not include VAT. For prices in US dollars, please e-mail [usb\\_AT\\_thesycon\\_DOT\\_de](mailto:usb_AT_thesycon_DOT_de).

License	License Fee
Runtime License	3000 EUR
Option: Driver Source Code Add-on License	9000 EUR

## Technical Support

Each of the license fees given above includes 2 hours of premium technical support by e-mail or phone. All support services will be provided by a USB and device driver expert.

## Warranty

The warranty period is 6 months. During this period Thesycon fixes issues free of charge.

## Update Prices
