

VHPD1394 Development Kit for Windows

Licensing Model and Price List

June 2011

Supported Operating Systems:

- Windows 7 (32-bit and 64-bit),
- Windows Vista (32-bit and 64-bit),
- Windows XP (32-bit and 64-bit),
- Windows 2000

Developer License

The licensee will receive the software in binary executable format. The Software may be used by a single person. That person is permitted to install the software on several computers. The licensee may not distribute the Software in whole or in part. Please refer to the VHPD1394 Development Kit License Agreement for the complete terms of license.

Site License

The licensee will receive the software in binary executable format. The Software may be used by any number of persons at the site for which the license was given. The licensee may not distribute the Software in whole or in part. Please refer to the VHPD1394 Development Kit License Agreement for the complete terms of license.

Single Product License

The licensee will receive the software in binary executable format. The licensee may install and use the software on any numbers of computers at the site for which the license was given. The licensee is permitted to distribute the Software, in whole or in part, as long as the distributed files are for use with a single hardware product. The licensee may use the software with a single hardware product. There is no limit on the number of units which may be distributed. Please refer to the VHPD1394 Development Kit License Agreement for the complete terms of license.

Unlimited Product License

The licensee will receive the software in binary executable format. The licensee may install and use the software on any numbers of computers at the site for which the license was given. The licensee is permitted to distribute the Software, in whole or in part, as long as the distributed files are for use with hardware products. The licensee may use the software with any number of hardware products. There is no limit on the number of units which may be distributed. Please refer to the VHPD1394 Development Kit License Agreement for the complete terms of license.

VHPD1394 Driver Source Code Add-on Licenses

The licensee will receive the source code of the VHPD1394 kernel-mode device driver.

The VHPD1394 Source Code Add-on Licenses can be ordered within 12 months of purchase of a VHPD1394 Single Product or Unlimited Product License. Please refer to the VHPD1394 License Agreement for the complete terms of license.

Prices

All prices do not include VAT. For prices in US dollars, please e-mail 1394_AT_thesycon_DOT_de.

Site License	2 000 EUR
Single Product License	4 500 EUR
Unlimited Product License	6 000 EUR
Option: VHPD1394 Driver Source Code Add-on License	10 000 EUR

Technical Support

Each of the license fees given above includes 2 hours of premium technical support by e-mail or phone. All support services will be provided by an IEEE1394 and device driver expert.

Please contact Thesycon by e-mail or phone if you require any further support for your project.

Warranty

The warranty period is 6 months. During this period Thesycon fixes issues free of charge.

License Upgrade

Within 1 year after purchase, any VHPD1394 license may be upgraded to a higher-level license by paying the difference between the higher-level license and the license already purchased.

Update Prices

If a new version of the VHPD1394 is released an existing license may be updated to the new version according to the conditions below. A license update is possible within a period of 48 months after the license purchase or the last update. Please contact Thesycon if you have questions regarding license updates.
